## BOX 7 (TO BE ACCOMPLISHED BY THE BUILDING OFFICIAL)

## ACTION TAKEN:

## PERMIT IS HEREBY ISSUED/GRANTED SUBJECT TO THE FOLLOWING CONDITIONS:

- 1. That the designer is aware that under Article 1723 of the Civil Code of the Philippines, he is responsible for damages if within fifteen (15) years from the completion of the structure, it should collapse due to defect in the plans and specifications or defect in the ground. The engineer or architect who supervises the construction shall be solidarily liable with the contractor should the edifice collapse due to defect in the construction or the use of inferior materials.
- 2. That the proposed raising works shall be in conformity with the provisions of the "National Building Code" (PD 1096) and its Implementing Rules and Regulations.
- 3. That the owner shall engage the services of responsible licensed Architect or Civil Engineer to undertake the full time inspection and supervision of such work.
- 4. That the owner and contractor shall be jointly responsible for the safety, protection, security and convenience of the general public and his/her personnel, third parties, the works, equipment and the like.
- 3. That this permit shall not serve as exemption from securing permits/written clearances from various government authorities exercising regulatory function affecting buildings and other related structures.
